

Just four days

A STORY ABOUT THE JOURNEY
FROM MASTER TO PHD

Communication Design

Politecnico di Milano,
IT

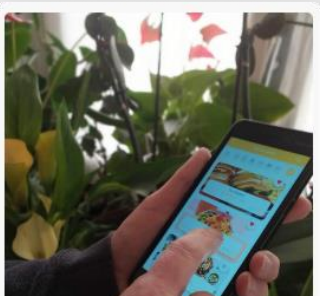

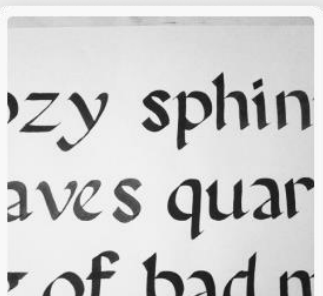

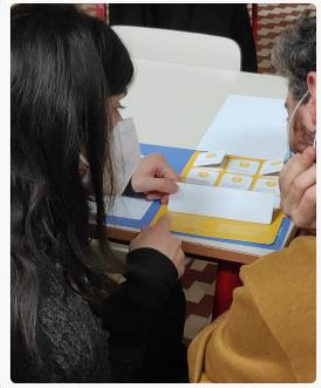

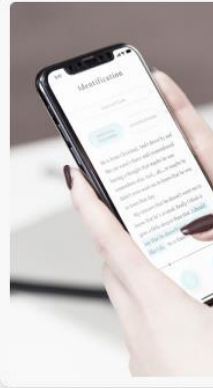

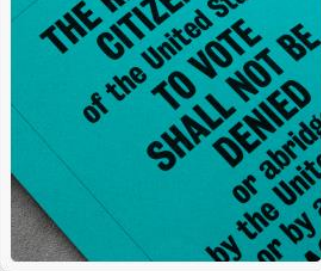

Informatics USI, Switzerland

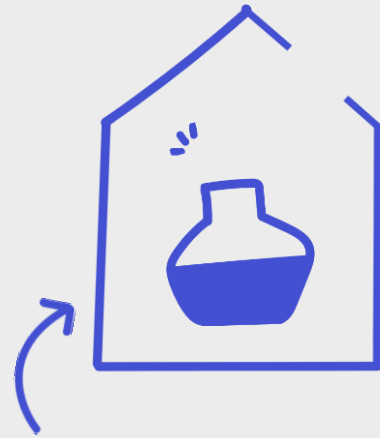

Interaction Design

Politecnico di Milano,
IT

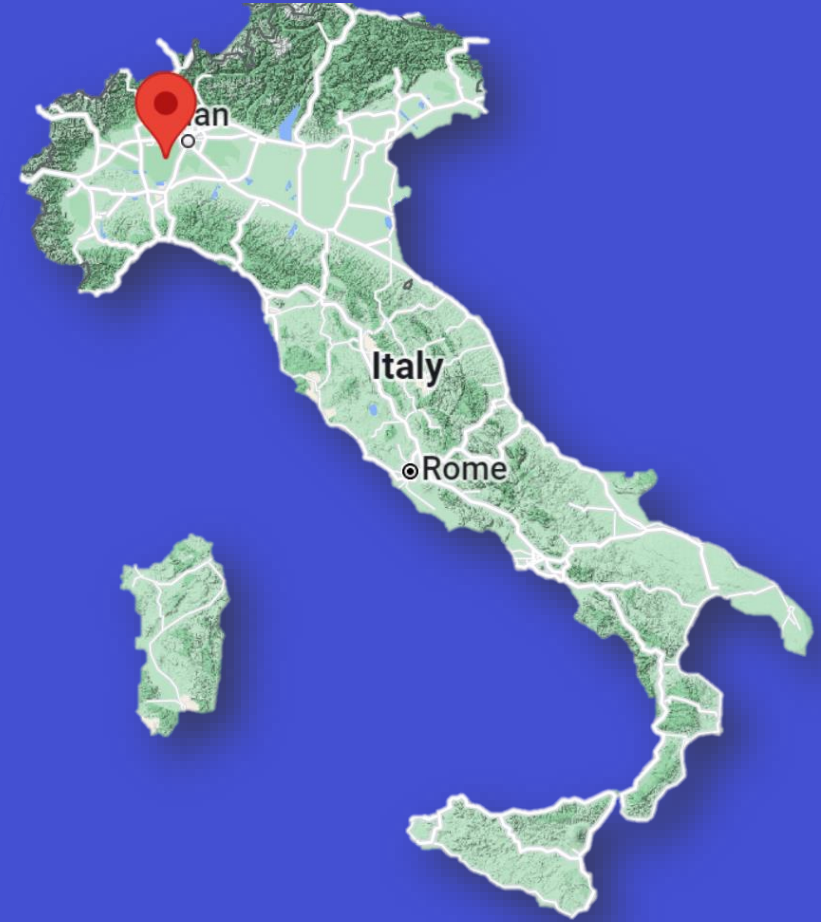

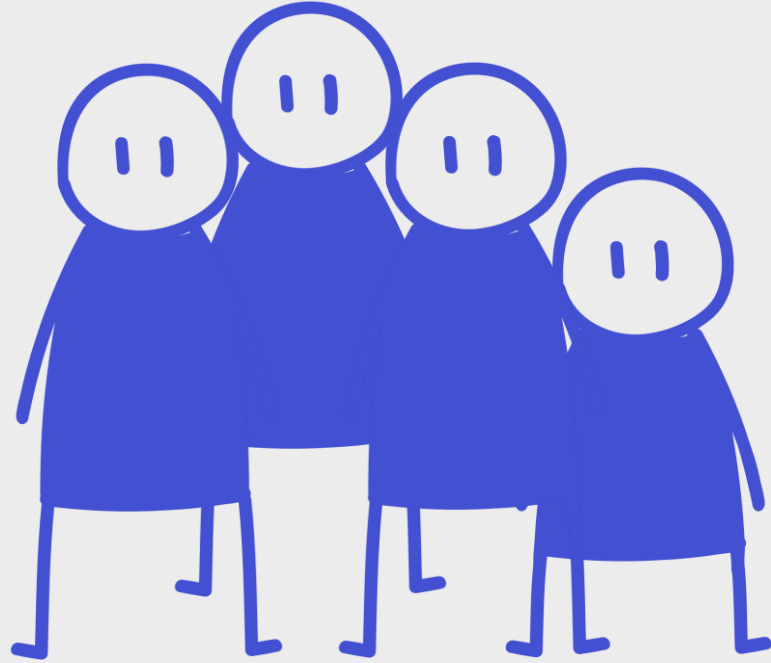

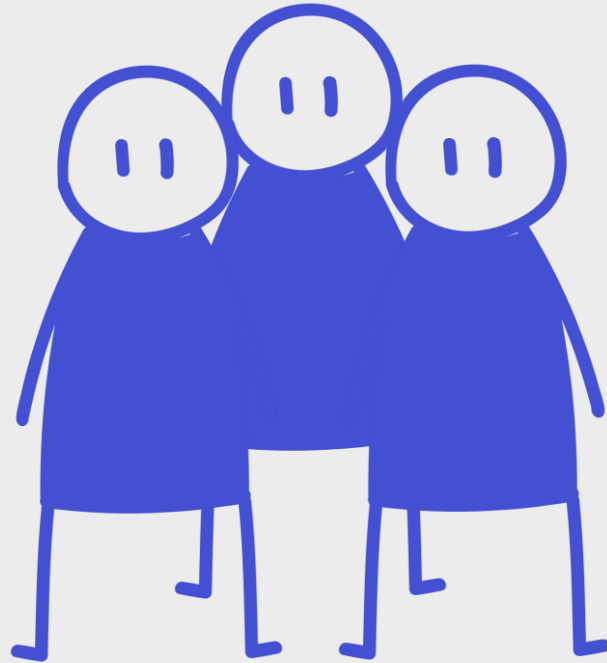

School

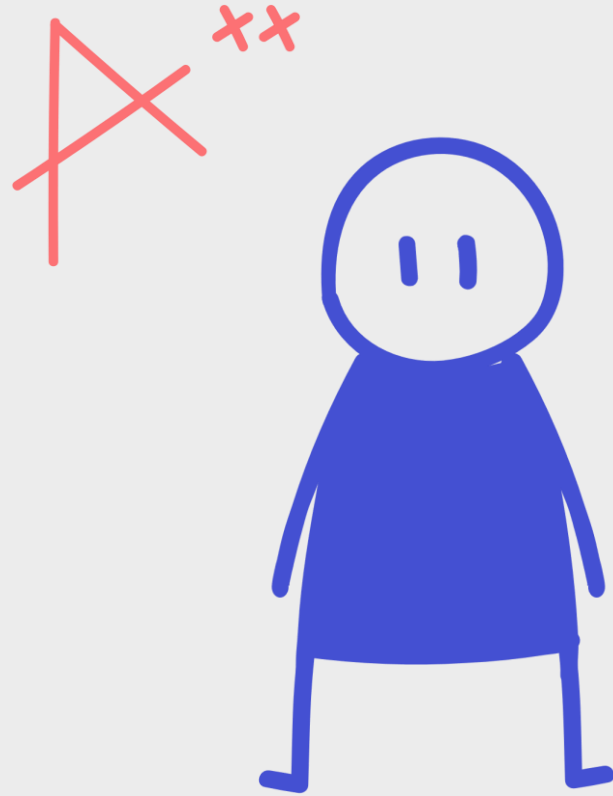

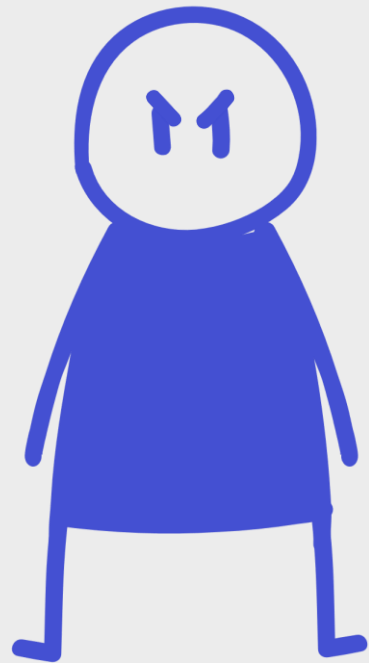

Smart
Talented

Cute
Polite

So committed!

The perfect student!

So diligent and hardworking!

So
committed!
YEP.

PRIMARY SCHOOL
2003-2008

“Such a good student, always smiling”

“She is so cute and caring”

MIDDLE SCHOOL
2008-2011

“She’s hardworking”

“She is a perfect student”

HIGH SCHOOL
2011-2016

“You achieve because you do, he achieves because he is”

“Why do you put so much effort? Just find a husband”

STEM

=

**This is your life, never
let other choose for
you.**

~~STEM~~ Design

And the PhD?

**What if I don't get in?
What if I wasted everything?**

informatics

Why informatics

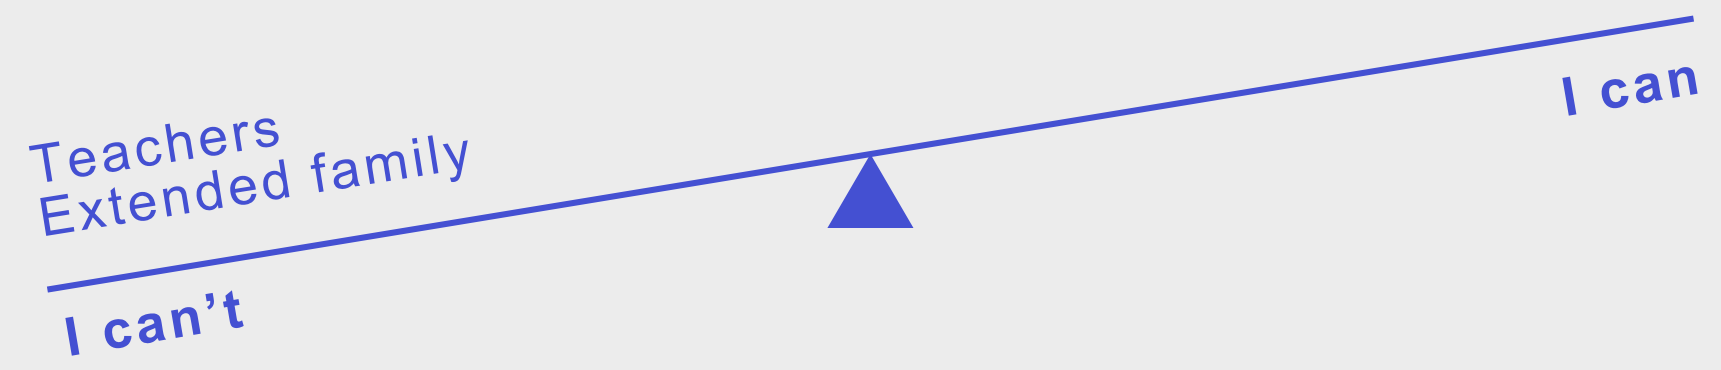

*Elective courses brought me closer to this field

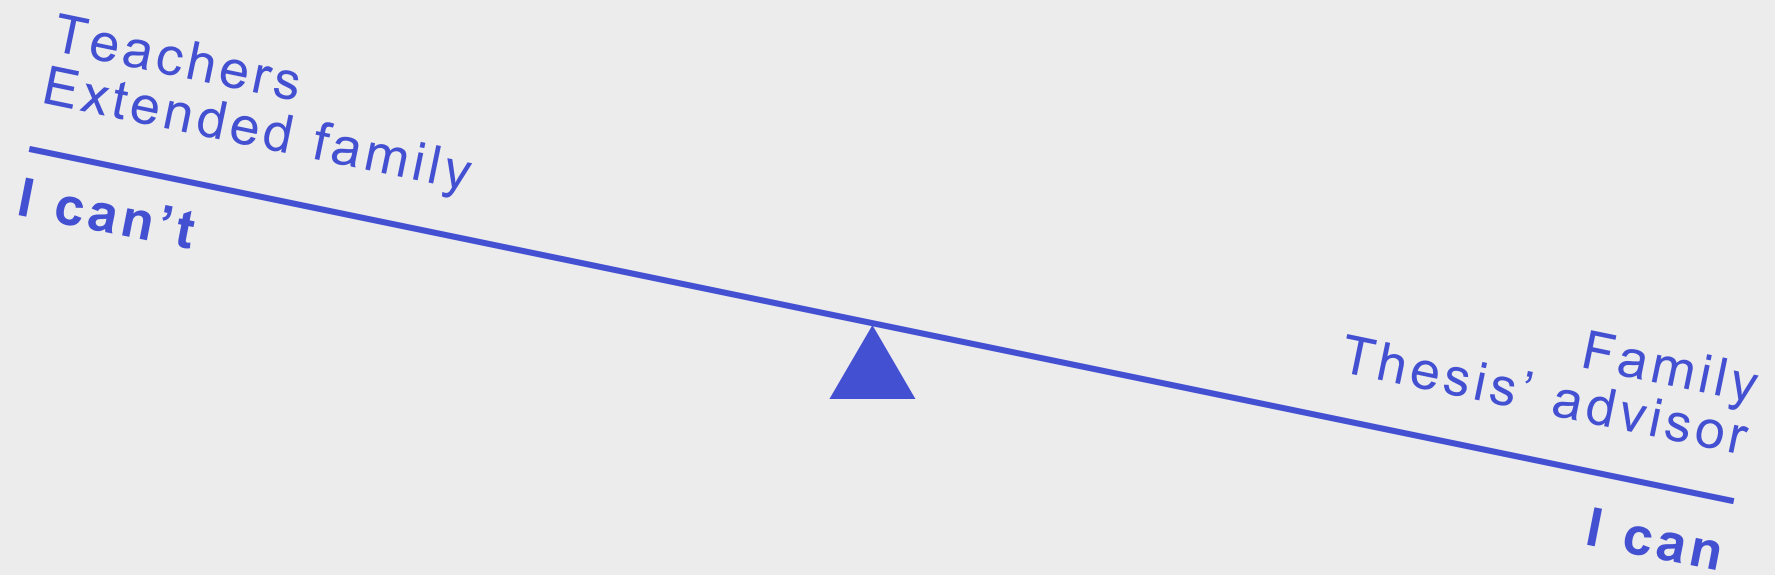

*Power to create something that *actually works*

*Rewarding feeling of overcoming challenges and problems

I can't  **I can**

Thank you
