

# BRING EUROPE TO YOUR INSTITUTION BECOME AN ECSS HOST

BIDDING FOR ECSS 2025  
IS NOW OPEN!

## HOST NOW

## ABOUT ECSS

### Annual European Informatics Leaders Summit

Premier European summit for **leading researchers and changemakers** in informatics and related disciplines.

### Strategic Discussions on Europe's Common Goals

3 days of **knowledge exchange, networking and strategy-setting activities**, devoted to **crucial and timely** strategic issues of informatics research and education.

### Significant Boost of Leadership & Best Practices

Our workshops and awards ceremony put leaders and experts in informatics research and education into the spotlight, where **best practices pass on to emerging leaders and the informatics community** at large.

## WHO CAN HOST?

Any **member institution of Informatics Europe** with the capacity and facilities to host an event which can accommodate 120-150 people.

Discover ways to connect  
with the **Informatics  
Europe** community on a  
wider level!

## YOUR ROLE AS A HOST

- General co-chair of ECSS, planning and execution of conference together with Informatics Europe President.
- Deciding collaboratively with Informatics Europe Board on the chairs of the sub-events that compose the conference.
- Collaborating with Informatics Europe Office for the dissemination and promotion of ECSS and related activities.
- Proposing the budget, finding sponsors, negotiating venue space and other facilities needed for the conference.

As an **ECSS host**, you **positively contribute** to the development of **the European informatics research community**, and **enhance the global recognition of your institution**.
