

IE Ambassador & Expertise Networks

Knowledge and Connection in Action

*Informatics Europe grows stronger when **knowledge, connections and opportunities** are shared across our community.*

IE Expertise Network

Mobilising expertise

IE Working Groups bring together expertise on key cross-cutting topics. Find the right expert through a WG Chair — or join a WG to share your expertise, grow your network and increase your impact.

IE Ambassador Network

Mobilising connections

IE Ambassadors put their connections to work for the community, collaborating with the IE Board and Office to advocate for IE, build new relationships and expand its reach across Europe.
