Dimensions of Innovation: ECSS 2013 Opening Address

Arie van Deursen, Delft University of Technology
ECSS 2013 Program Chair

David Notkin

*“... the intent is to make
the engineering of software more effective
so that society can benefit even more
from the amazing potential of software.”*

(ACM TOSEM Editorial, 2013)

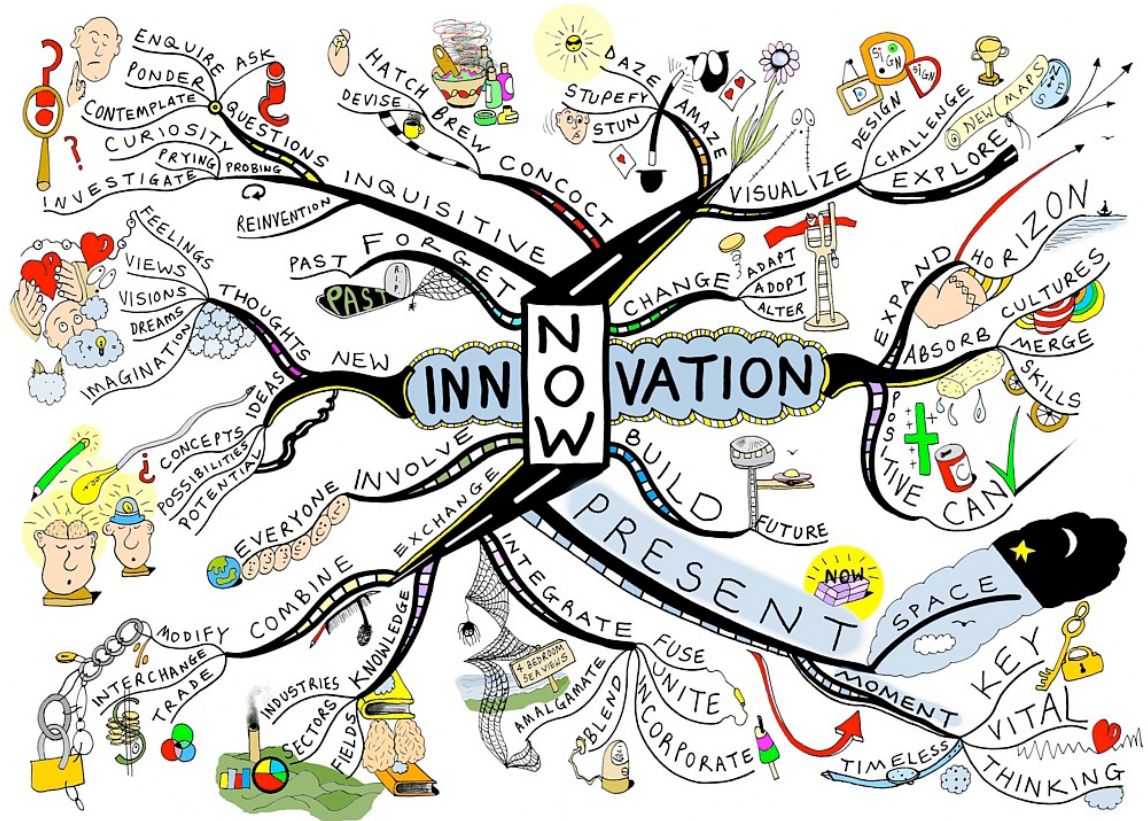

Peter Denning

*“An idea that changes no one’s behavior
is only an invention, not an innovation.”*

(Communications of the ACM, 2012)
