ECR Workshop -Leading in research

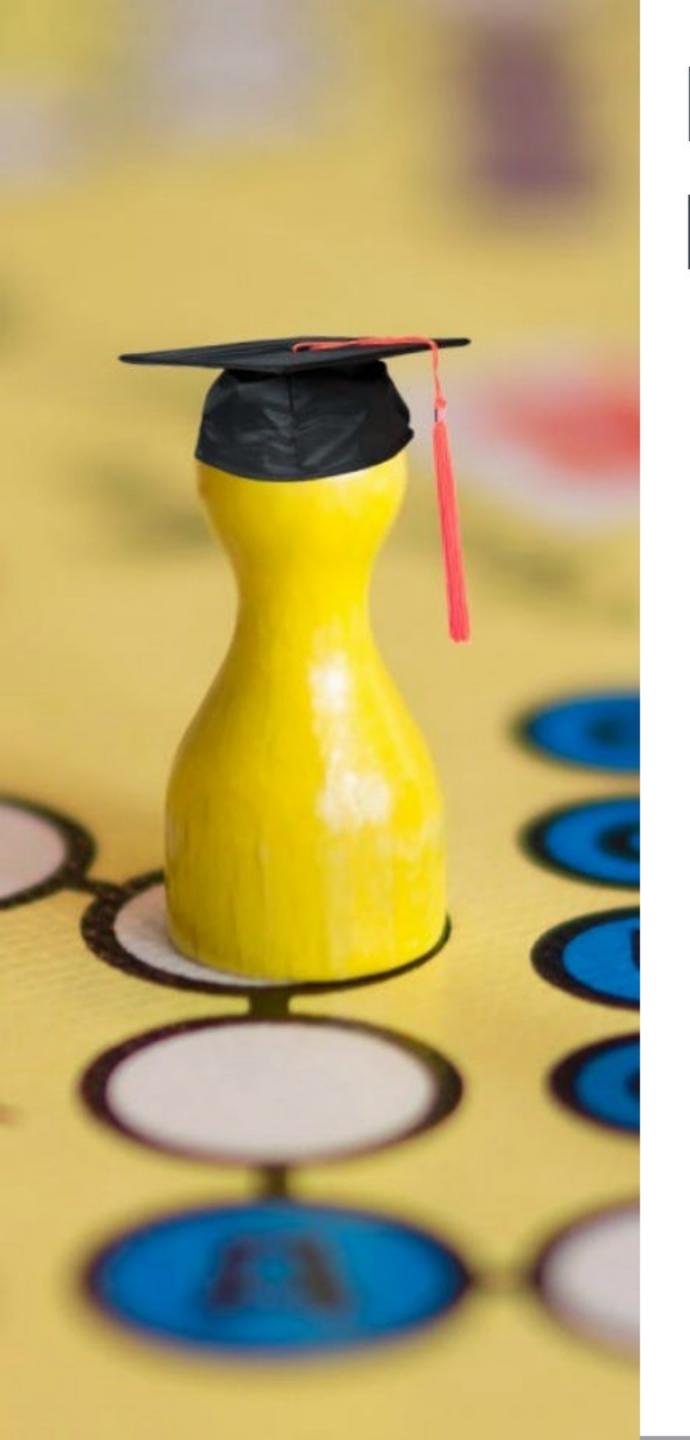

ECSS2021 25 October 2021

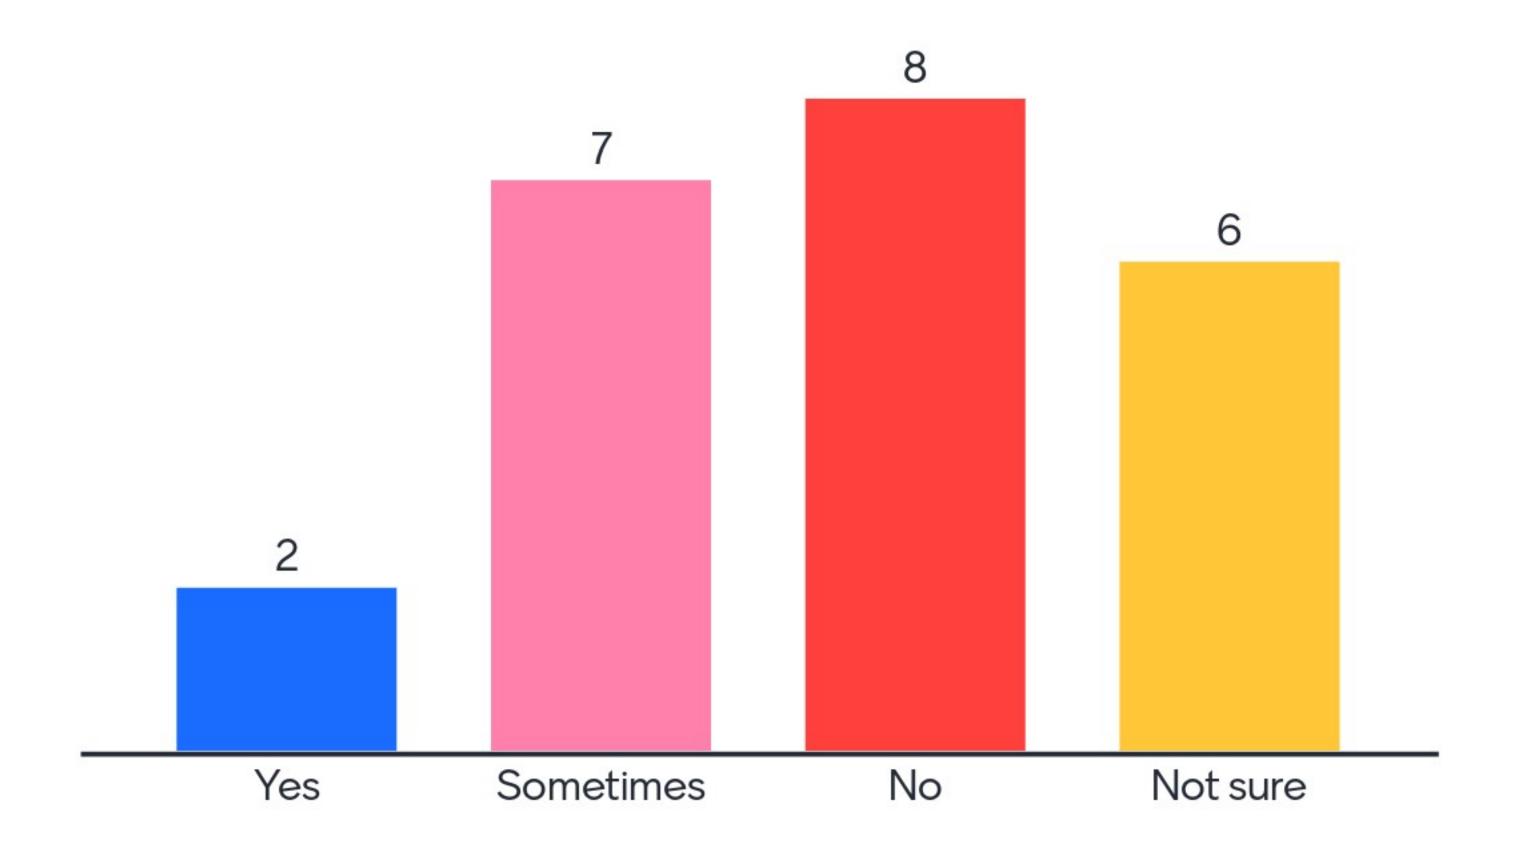

Where are you in your career?

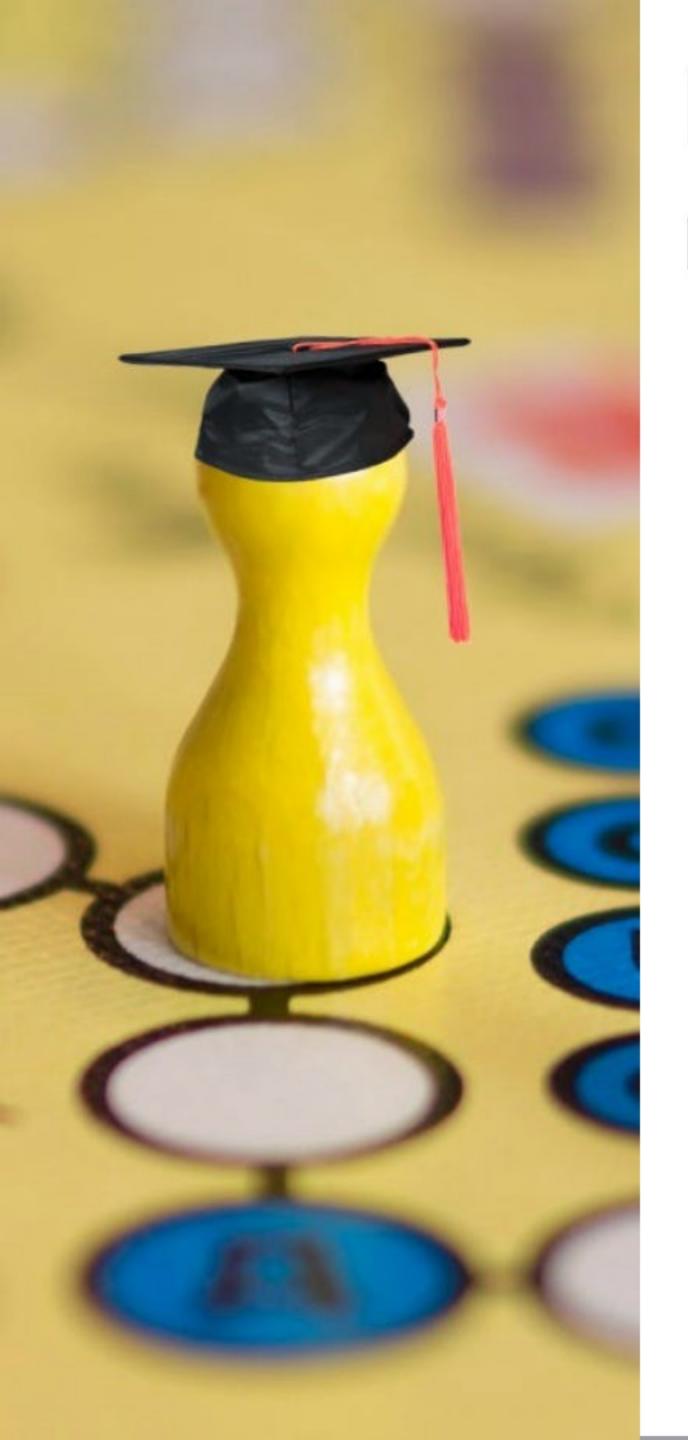

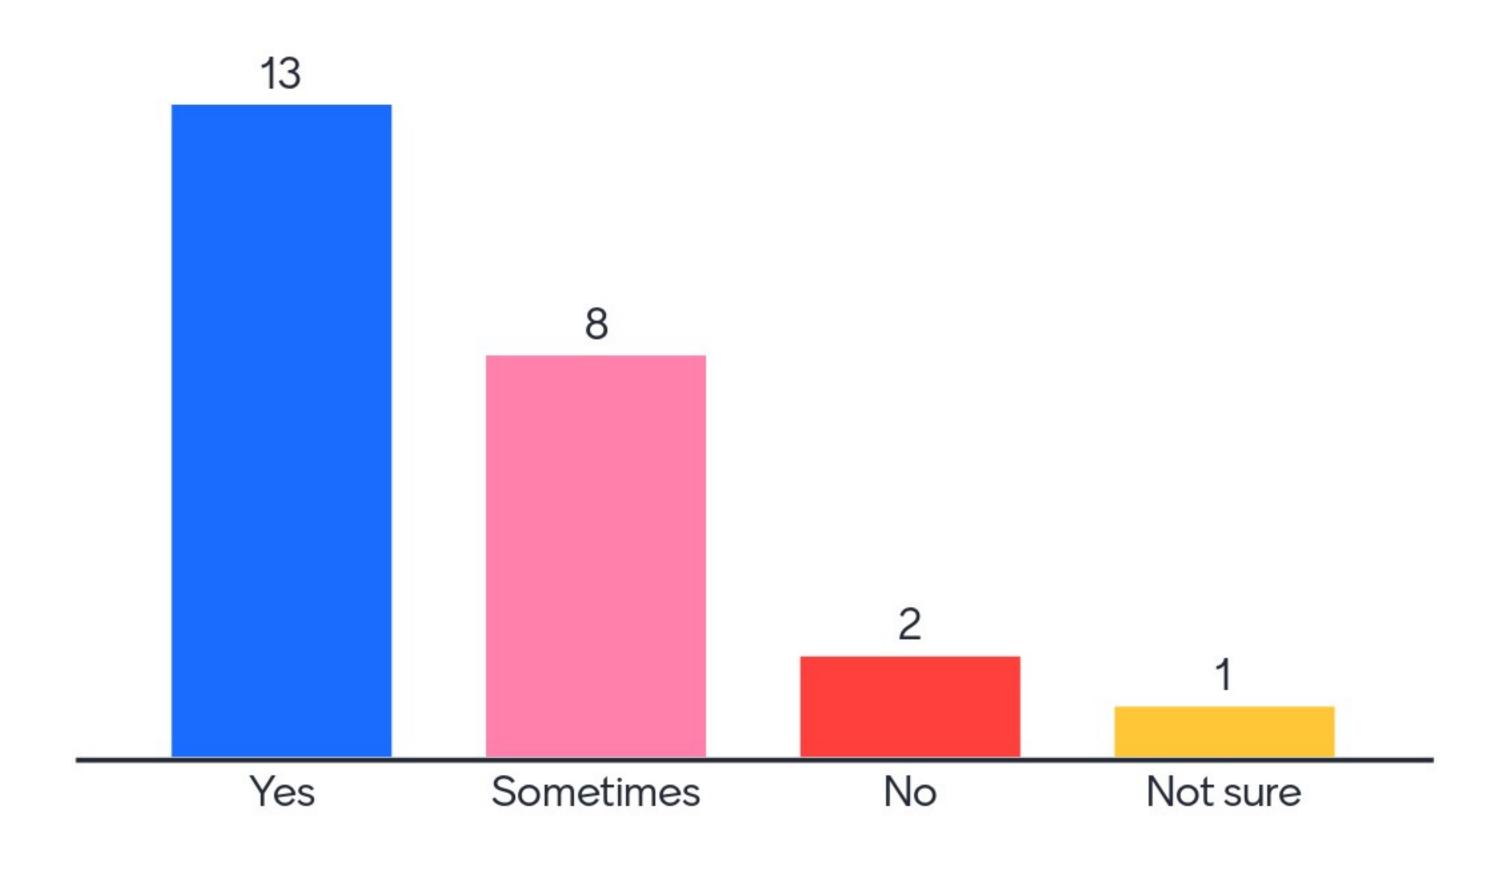

Do you think of yourself as a leader in research?

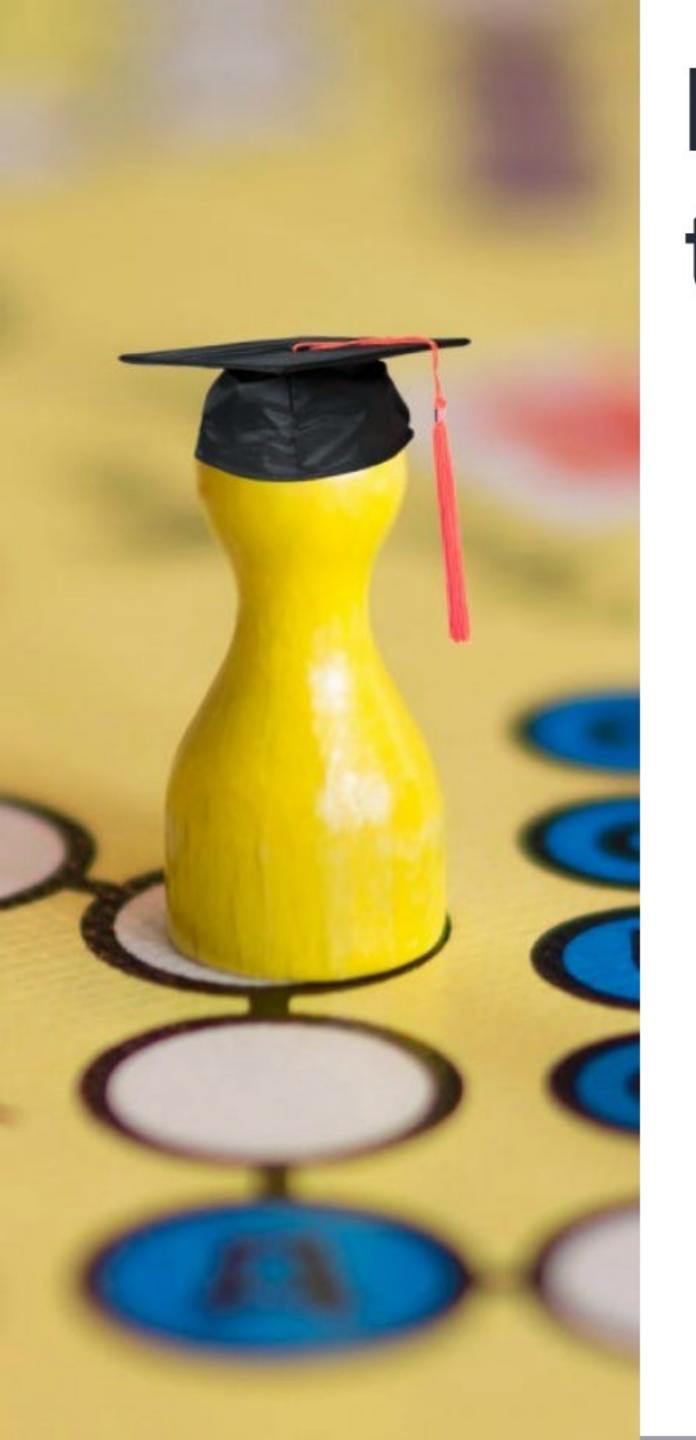

Do you aspire to be a leader in research?

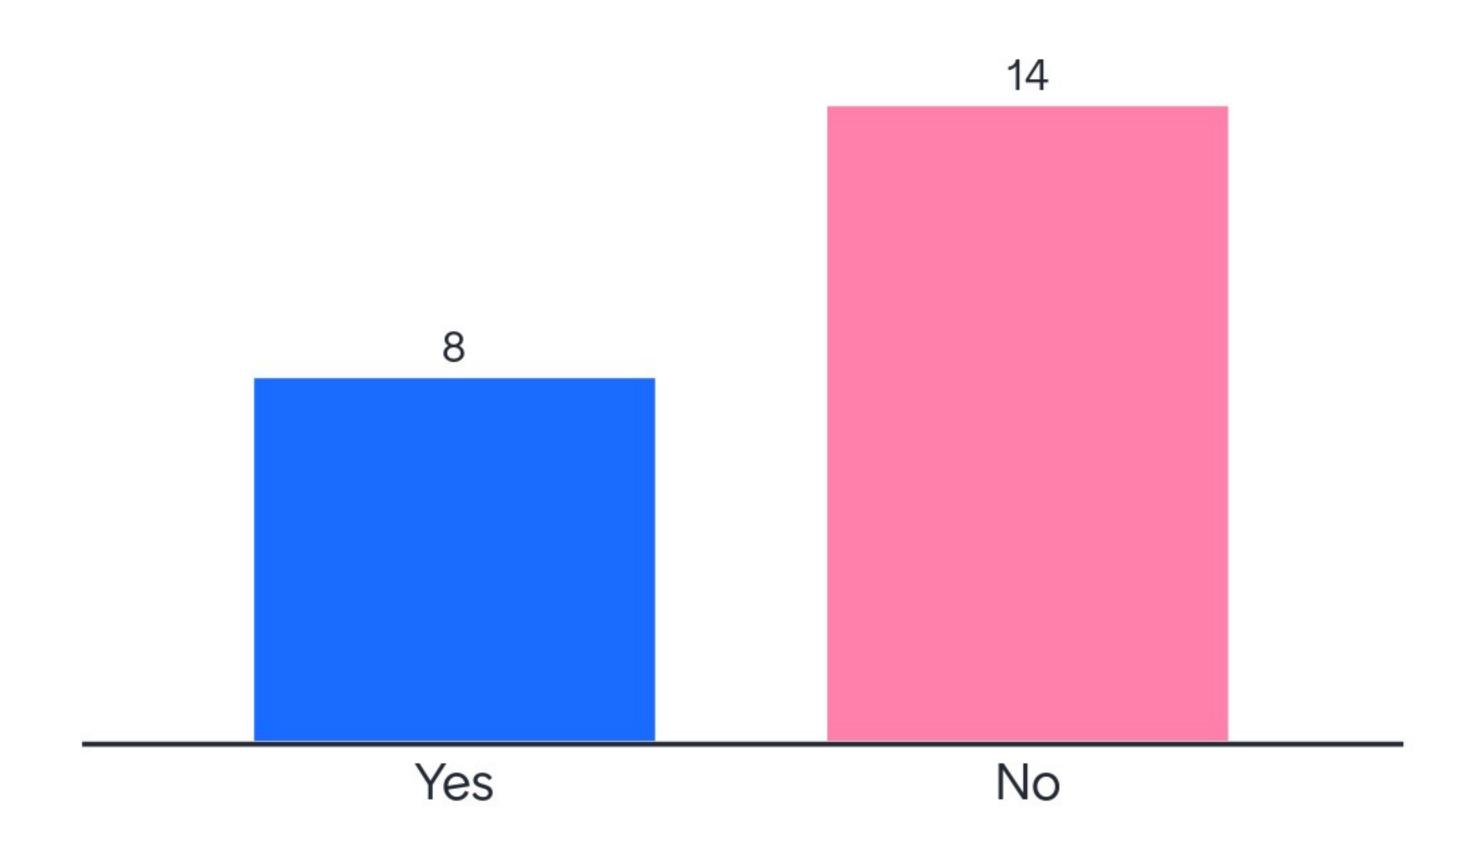

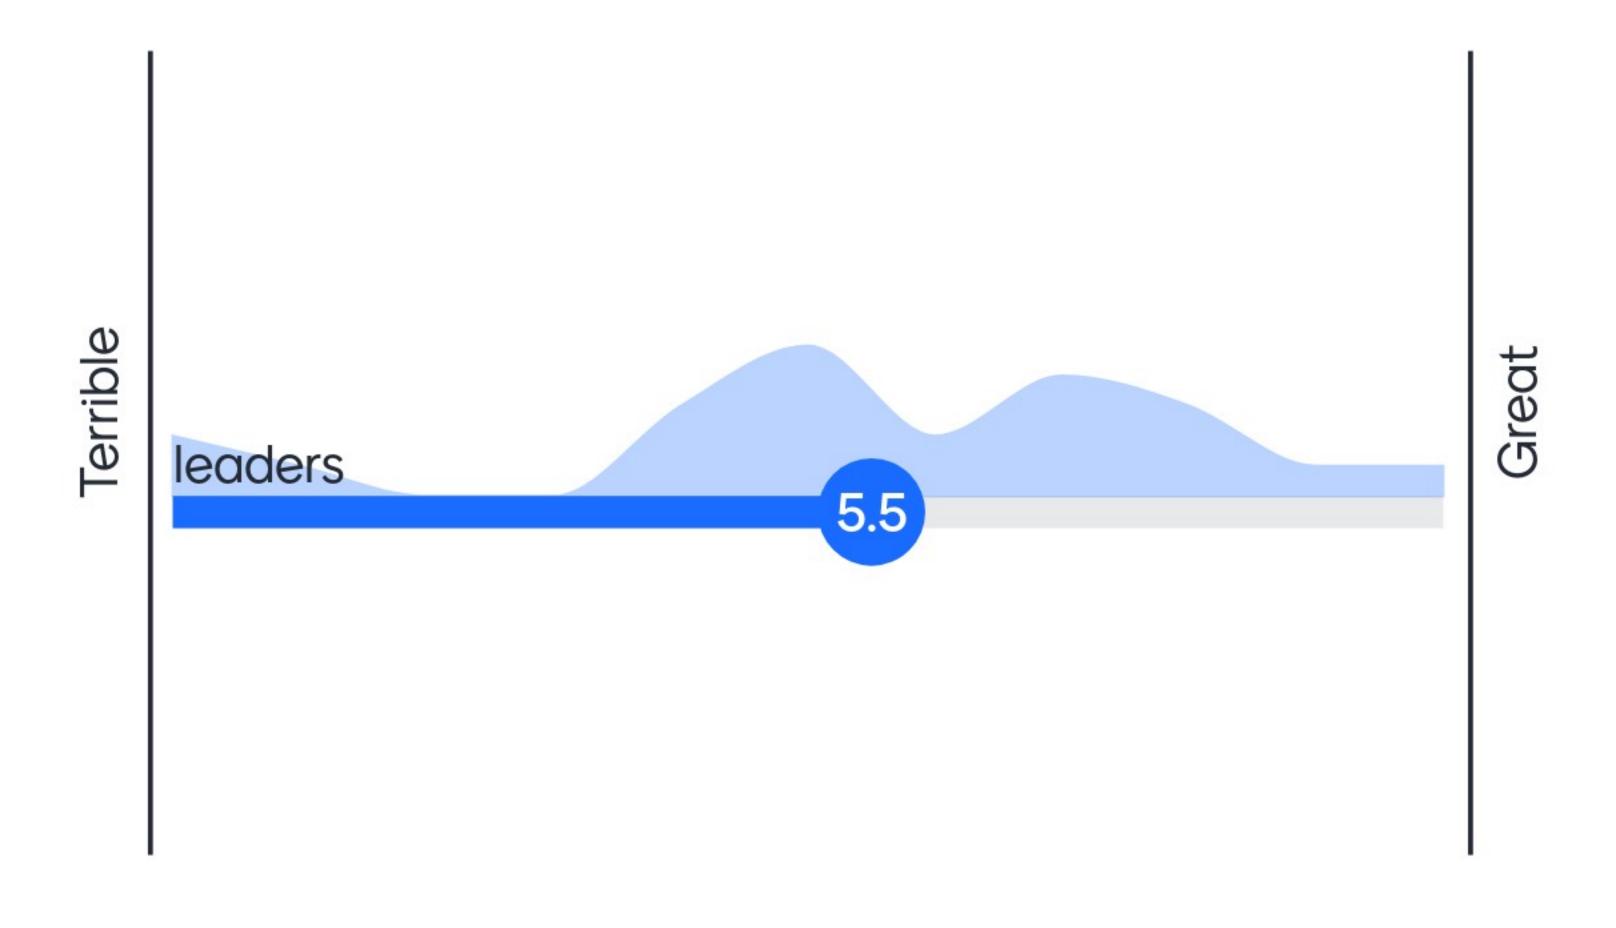

Have you had any leadership training?

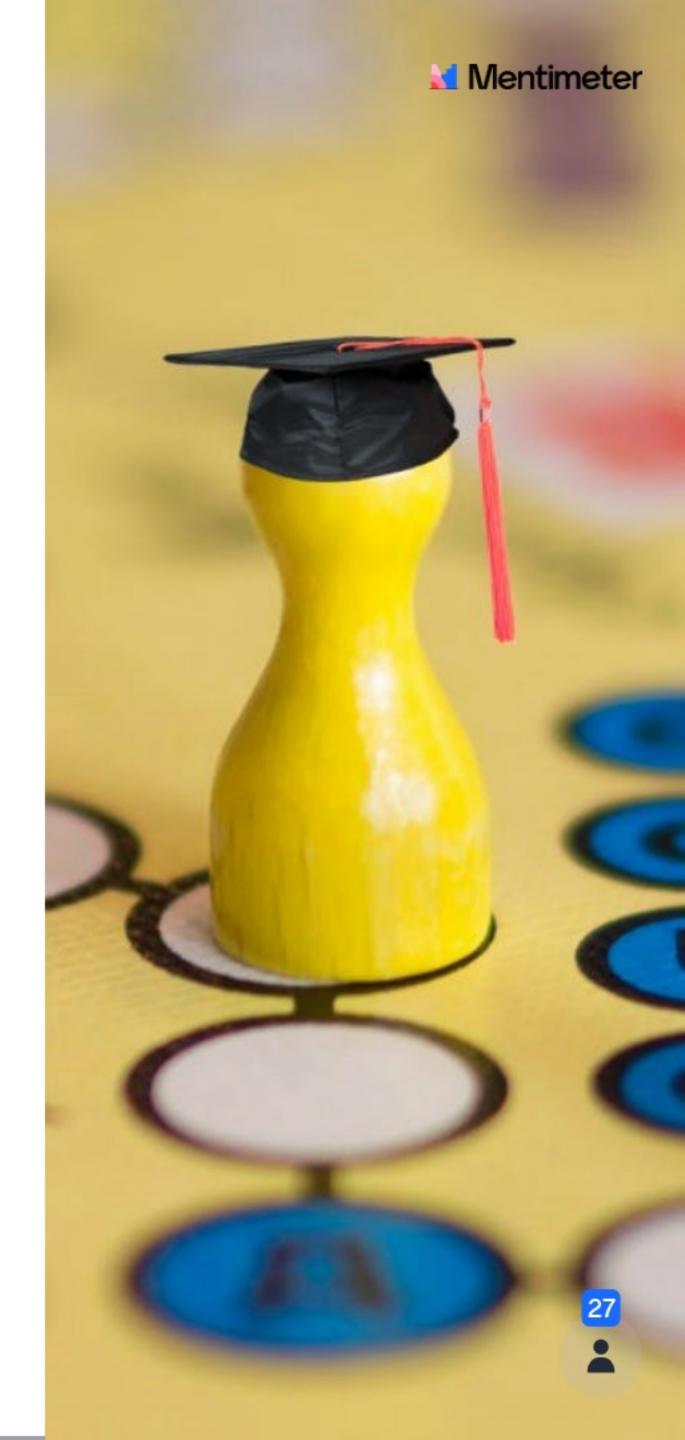

Your experiences of research leadership?

Bad leadership?

shutting motivation no planning micro-management say this is not possible micromanaging no decision too nice feedback negativity no deadlines orders no decisions non-violent communication not listening no feedback good delegation shouting confidence boosting hierachies arrogance don't ask questions delegating poorly inflexibility trust good planning no leadership at all poor communication

Good leadership?
