YOUNG RESEARCHER SESSION
## EUROPEAN COMPUTER SCIENCE SUMMIT 2022

Karolina Bolesta

HOW IT ALL STARTED?

FROM MASTER TO PHD

WHY ECONOMICS?

HAVING A CLEAR IDEA

How the customer explained it

How the project leader understood it

How the engineer designed it

How the programmer wrote it
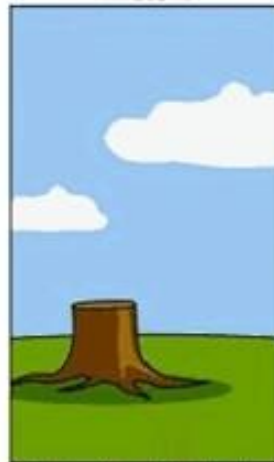

How the sales executive described it

How the project was documented

What operations installed
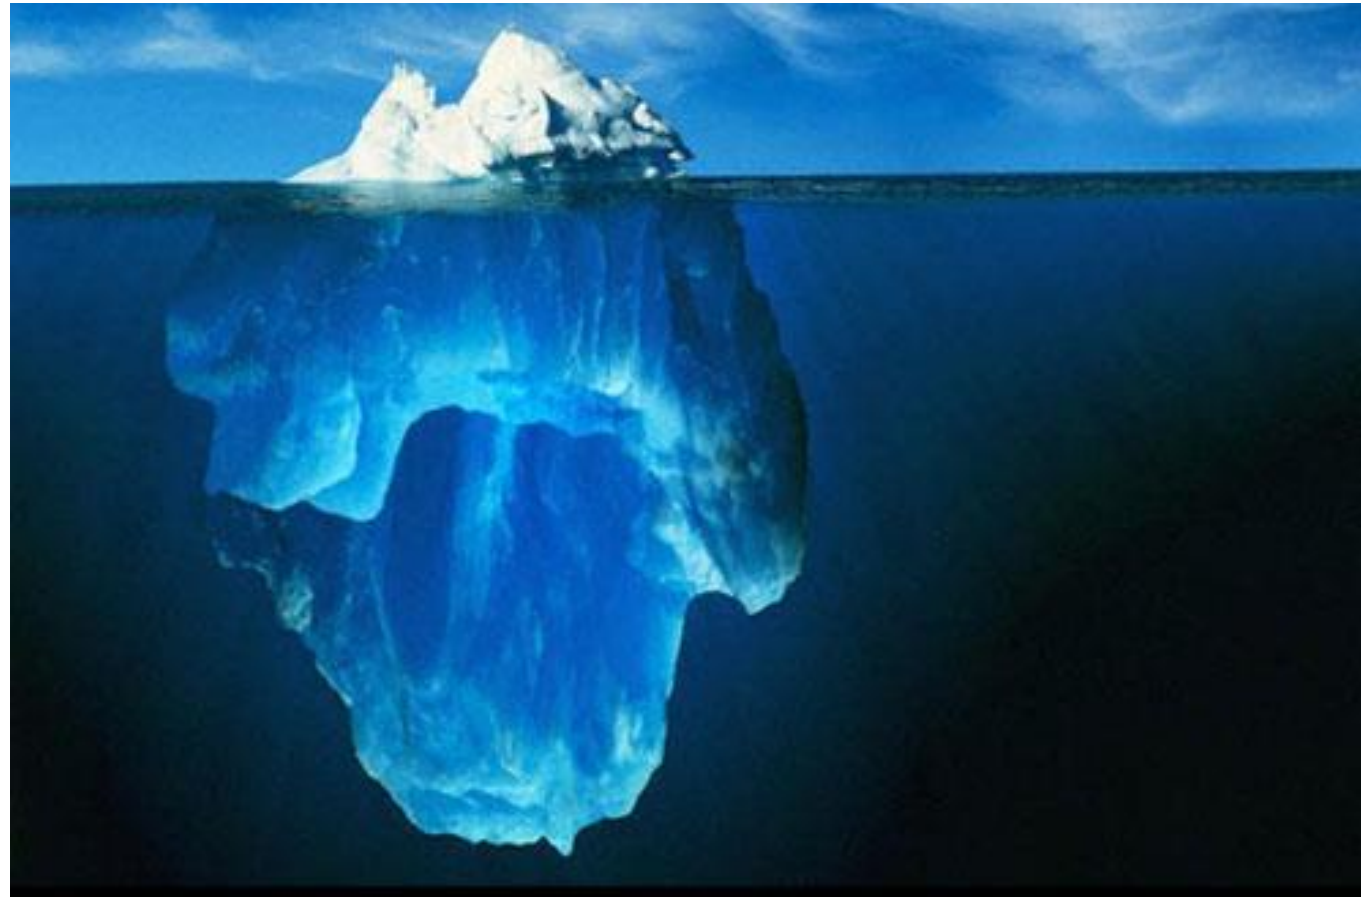

How the customer was billed

How the helpdesk supported it
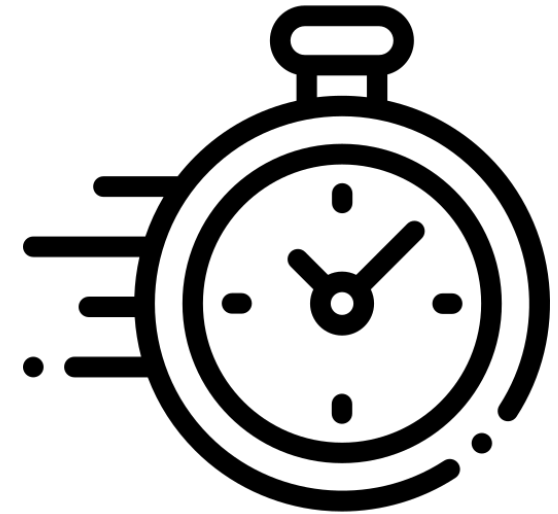

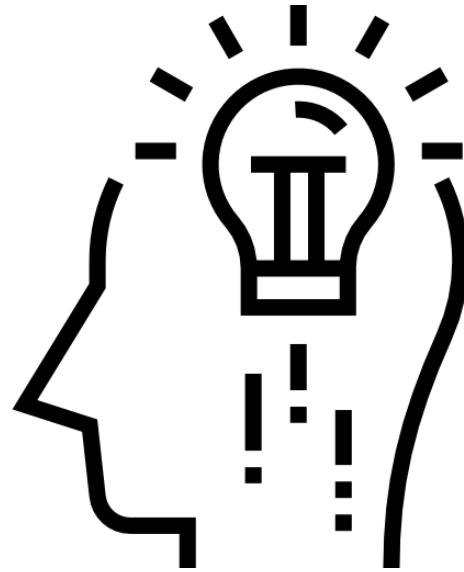

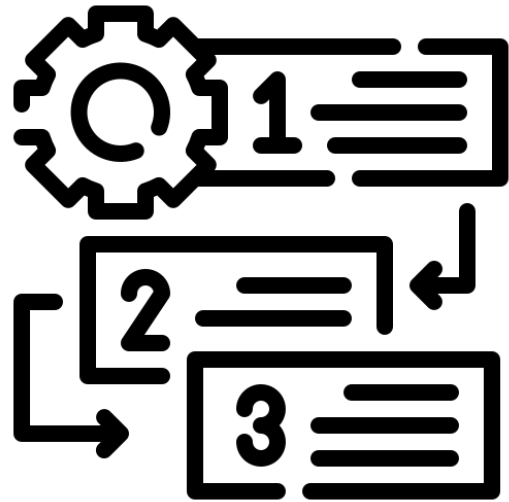

What the customer really needed

HOW TO FIND A GAP IN THE LITERATURE?

INVISIBLE VS. VISIBLE

WHAT WOULD I HAVE DONE DIFFERENTLY?

THANK YOU!
