

Computer science in the public sector

Dr. Ante Vilenica - Project Leader

2022/10/24

IT and the public sector?!

Administrative divisions of Germany

Source: https://en.wikipedia.org/wiki/File:Administrative_divisions_of_Germany.svg

What are we working on?

Software

Workplace equipment

Business processes

Data Center

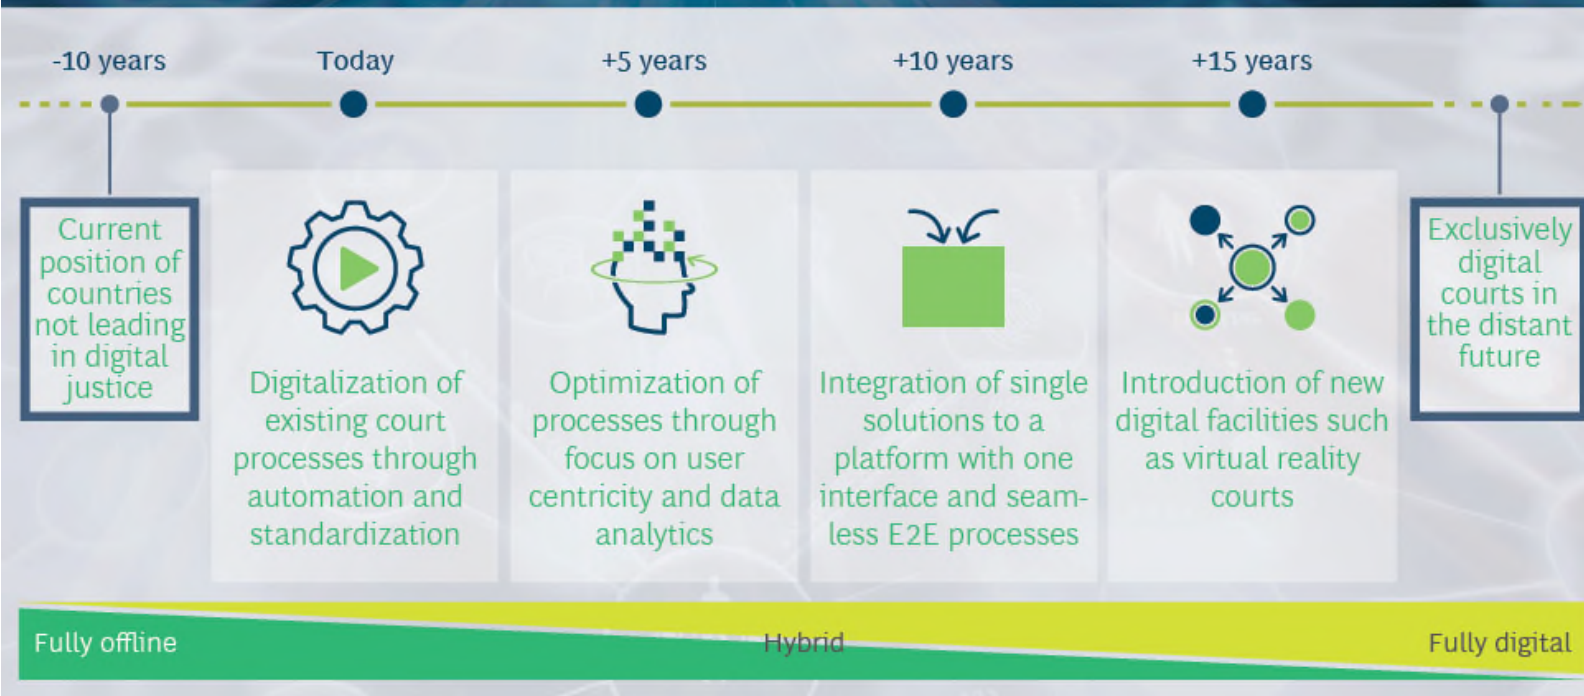

Training opportunities,
change management

Law

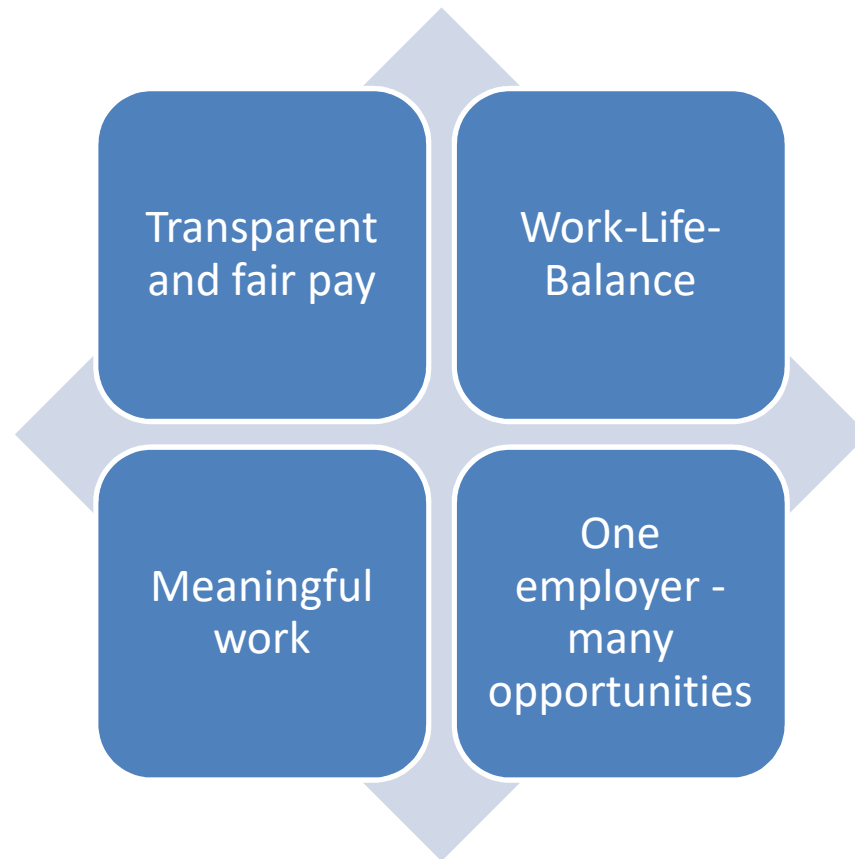

The Future of Digital Justice

Path towards the future of justice for a country leading in digitization

Some aspects in general

- ✓ You are an expert on IT
 - But how about
 - Soft and project skills?
 - Communication?
 - Adaptation?
 - What is the main challenge?
 - Get it REALLY done
 - everywhere
 - always
 - everyone

THANK YOU FOR YOU ATTENTION
