# What we have learned...

- Our competitor
  - Conservative society (home, school, culture)
- Mindset
  - Women are not in need of support but worthy of support
- Female students have to learn to accept support activities
  - Opinion poll (summer 2015) among female BI/CS students:  
only 27% are in favour of female support activities

# What we have learned ...

- Learn from best practice examples
  - CMU (Lenore Blum)
  - Harvey Mudd College (Maria Klawe)
  - University of Edinburgh (Jane Hillston)
  - University of Bamberg (Ute Schmid)
  - ...
- Curricula in universities have to be adapted
- Appropriate curricula in schools are necessary
  - Teach the teacher

# What we have learned...

- Role Models
  - Necessary at all career levels
  - AcademiaNet - <http://www.academia-net.de>
- Worthy of support
  - Dean's List, especially for female students
  - Award for attending Grace Hopper Conference (not yet realized)
